Construction Skimmer

Hiring organization
Procare Property Ltd

Employment Type
Full-time

Date posted
September 28, 2025

Description

We are looking for experienced Construction Skimmers to join our team. The ideal candidate will be skilled in applying plaster, skim coats, and finishing layers to walls, ceilings, and other surfaces to achieve a smooth, even finish. The role requires attention to detail, craftsmanship, and the ability to work on residential, commercial, and industrial construction projects.

Responsibilities

- Prepare surfaces by cleaning, leveling, and priming before applying skim coats.
- Apply plaster, skim coat, or finishing compounds to walls, ceilings, and other surfaces.
- Smooth, level, and finish surfaces to required standards.
- Repair cracks, holes, and imperfections in existing plasterwork.
- Work with tools such as trowels, hawks, and sanding equipment.
- Mix and apply materials according to specifications.
- Ensure quality workmanship and adherence to safety standards.
- Collaborate with other tradespeople (painters, masons, etc.) to complete projects efficiently.
- Maintain tools, equipment, and work areas in good condition.

Qualifications

- Proven work experience as a Construction Skimmer, Plasterer, or similar role.
- Knowledge of different plastering and skimming techniques.
- Ability to achieve smooth finishes with precision.
- Physical stamina and ability to work on scaffolding or ladders.
- Good hand-eye coordination and attention to detail.
- Basic knowledge of safety practices and regulations.
